

**Remarks**

Responsive to the Office Action of November 24, 2004, there is enclosed herewith a substitute specification in which information has been incorporated to respond to the Examiner's questions.

Cancellation of the original specification is hereby authorized.

It is believed with the revision of the substitute specification the application is now in condition for allowance and such action is respectfully requested. However, if the Examiner has any further questions, she is invited to call the undersigned.

Respectfully submitted,

KLARQUIST SPARKMAN, LLP
